## 1987 TOWN REPORT

---

## 1987 IN REVIEW

This past year, 1987, was a progressive one for the Town of Auburn. Major emphasis was placed on improving the Town's road network. Approximately 9 miles of road were improved in the second step of a 5-year program which began in 1986.

Significant steps were also taken in the area of public safety with the completion of the new Firehouse Number 1 and the relocation of the Police Department to its new home in the old Firehouse on Raymond Road. Twenty-four hour police coverage of the town was also implemented as a result of the hiring of the first two full-time police officers since Chief Wood was hired. With these improvements, the Town of Auburn now provides what we consider to be the best public safety available in a town of our size.

Noticable progress was also made on the town's outdoor recreation area located off Wilson's Crossing Road, and it is anticipated that it will be place into much needed use this Spring.

The sale of town-owned land in the Sun Valley subdivision to abutting land owners was accomplished. To keep up with growth, the Town of Auburn entered into an agreement with the Town of Chester to share a full-time Building Inspector, and with the Town of Candia for improved Animal Control. The town has also played an active role in the Greater Manchester Metropolitan Task Force on Growth.

What will be the greatest challenge of 1988 and subsequent years? We feel that it will continue to be managing growth to ensure that it occurs in both an orderly and tasteful manner.

# Town Warrant

## State of New Hampshire

### Rockingham, S.S.

To the inhabitants of the Town of Auburn, in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the gymnasium in the Auburn Village School in said Auburn on Tuesday, March the eighth of next, at ten of the clock in the forenoon, to act upon the following subjects:

To bring your ballots for:

#### FIRST:

Moderator for two years  
Selectman for three years  
Treasurer for one year  
Highway Agent for three years  
Library Trustee for three years  
Cemetery Trustee - Auburn Village for three years  
Cemetery Trustee - Longmeadow for one year  
Cemetery Trustee - Longmeadow for three years  
Trust Fund Trustee for two years  
Trust Fund Trustee for three years  
Supervisor of the Checklist for six years  
Auditor for two years  
Police Commission for three years

**Second:** "Shall we adopt the provisions of RSA 80:58-86 for a real estate tax lien procedure? These statutes provide that tax sales to private individuals for non-payment of property taxes on real estate are replaced with a real estate tax lien procedure under which only a municipality or county where the property is located or the state may acquire a tax lien against land and building for unpaid taxes. (By Petition) (Recommended by Board of Selectmen)

**Third:** Are you in favor of adoption of Amendment No. 1, as proposed by the Planning Board, for the Town Zoning Ordinance as follows:

- a. Amend Article 2, to redefine the term "wetlands".
- b. Amend Article 3.04(1)(b), Sanitary Protection, to add the requirement that all septic systems must be at least 125 feet from any wetlands shown on United States Geological Survey Maps as perennial or intermittent streams or as catalogued by the Auburn Conservation Commission.

**Fourth:** Are you in favor of the adoption of Amendment No. 2, as proposed by the Planning Board, for the Town Zoning Ordinance as follows:

- a. Amend Article 3.07(D), Nonconforming Lots, to identify the setback requirement as one of the Zoning requirements which must be met by any building expansion on a nonconforming lot.
- b. Amend Article 3.13, Utilities, to eliminate the requirement that all electric, telephone and cable TV distribution systems be placed underground where feasible.

**Fifth:** Are you in favor of adoption of Amendment No. 3, as proposed by the Planning Board, for the Town Zoning Ordinance as follows:

To renew the Growth Management Provisions of the Auburn Zoning Ordinance, maintaining a four percent (4%) growth by limiting building permits, Section 3.09 thereof, which will expire on March 8, 1988 if not renewed, and further to amend the said Section 3.09 to increase the allowance of building permits issuable to developers and to any one subdivision or resubdivision of land.

**Sixth:** Are you in favor of the adoption of Amendment No. 4, as proposed by the Planning Board, for the Town Zoning Ordinance as follows:

- a. Amend Article 3.11(3)(b), Clustered Development, to eliminate the one hundred fifty (150) foot wide landscaped buffer requirement and to require instead that the landscaped buffer be twenty percent (20%) of the average width of the developed tract with a minimum buffer requirement of one hundred (100) feet and a maximum buffer requirement of two hundred fifty (250) feet. Allowed in the landscaped buffer will be wells, leachfields and passive recreation.
- b. Amend Article 3.11(4), Clustered Development, to modify the formula for determining the number of buildings which will be permitted in a clustered development by subtracting the areas of water bodies, wetlands, Class V and VI soils and 20% and greater slopes from the total acreage of the tract if it is essential for the applicant to file for a State of New Hampshire Dredge and Fill permit in order to complete the project. If no permit is required, one-half of the total area of water bodies, wetlands, Class V and VI soils and 20% and greater slopes shall be subtracted from the total acreage of the tract. The remaining area shall be divided by the minimum lot size allowed in the district in which the clustered development is located.
- c. Amend Article 3.11(6), Cluster Development, to eliminate descriptive language as to why roadways in clustered developments shall be of private ownership and to change the word "if" to "when".
- d. Amend Article 3.11(7)(d), Clustered Development, to require that adequate provisions be made by the owner or his authorized agent for school bus access.

**Seventh:** Are you in favor of the adoption of Amendment No. 5, as proposed by the Planning Board for the Town Zoning Ordinance:

Amend Article 4.03(6), District Boundaries and Zoning Maps, to provide that where a zoning district boundary runs through a lot, the more restrictive zoning classification shall apply to the whole lot only if twenty percent (20%) or more of the area of the lot is in the more restrictive zone.

**Eighth:** Are you in favor of the adoption of Amendment No. 6, as proposed by the Planning Board, for the Town Zoning Ordinance as follows:

Amend Article 7.01, Building Code and Building Permits General, to adopt the 1987 BOCA Code and include a new section differentiating between renovation and rehabilitation for building permit purposes.

**Ninth:** Are you in favor of the adoption of Amendment No. 7, as proposed by the Planning Board, for the Town Zoning Ordinance as follows:

Amend the Zoning Map to rezone the area of land bounded on the South by Route 101, on the East by Hooksett Road, on the North by a line running 1000' north of, and parallel to, Wellington Road and Old Candia and on the West by the Easterly boundary of the Industrial Zone from its existing designation as a C-2 District to an R-1 District.

**Tenth:** Are you in favor of the adoption of Amendment

No. 8, as proposed by the Planning Board, for the Town Zoning Ordinance as follows:

Amend the Zoning Map to rezone the area of land, beginning at the Easterly edge of Chester Road at the Southerly edge of Lot #4, Tax Map 23 and continuing 1,000 feet along the Southerly line of Lot #4, Tax Map 23 and Lot #5, Tax Map 23, then running Southerly and Easterly following 1,000 feet from Chester Road then Bunker Hill Road, to a point which is 1,000 feet from an extension of a point on the Northerly side of Bunker Hill Road and an extension of the Easterly side of Lot #11, Tax Map 7 then Southerly to Bunker Hill Road from its existing designation as an R-2 District to a C-2 District.

**Eleventh:** Are you in favor of the adoption of Amendment No. 9, as proposed by the Planning Board, for the Town Zoning Ordinance to see if the Town will vote to increase the building permit fees provided for in the Auburn Zoning Ordinance, Section 7.03 thereof, and further to amend the said Section 7.03 as follows:

- a. Amend Article 7.03 to increase the rate of charge per square foot of unfinished floor and basement floor area in a residential use to 7¢.
- b. Amend Article 7.03 to increase the rate of charge per square foot of finished living area for residential use to 10¢.
- c. Amend Article 7.03 to increase the rate of charge per square foot of total floor space for all commercial and industrial structures to 17¢.
- d. Amend Article 7.03 to increase the rate of charge for remodeling of existing residential dwellings to 10¢ per square foot of remodeled or added finished living space plus 7¢ per square foot per floor of unfinished floor space, basement included.
- e. Amend Article 7.03 to provide that all new detached accessory structures to residential dwelling shall be assessed at a building permit fee at a rate of 7¢ per square foot of finished or unfinished floor space or a flat rate fee of \$25.00, whichever is greater.
- f. Amend Article 7.03, to provide that permits for electrical and plumbing renovations shall be assessed at a rate of \$1.00 per electrical circuit and \$1.00 per plumbing fixture unit, or a flat rate of \$25.00, whichever is greater.

**Twelfth:** In accordance with RSA 31, Section 63 and 63A we, the undersigned, respectfully request the area from the Auburn-Hooksett town line, to Wellington Road, Old Candia Road and Hooksett - from 1,000 feet north of Wellington Road and Old Candia Road, south to Route 101, be rezoned from commercial-industrial to residential. We also request that this zoning change be placed before the voters of the town of Auburn. (By Petition) (Not Recommended by the Planning Board)

Polls will be open at 10:00 a.m. and close at 7:00 p.m. You are also notified to meet on Saturday, March the twelfth next, at 2:00 p.m., at the Auburn Village School to consider the following articles:

**Thirteenth:** To see if the Town will vote to accept such Trust Funds as may come in during the year and Trust Funds as have not been previously accepted.

**Fourteenth:** To see if the Town will vote to use the income of the H.B. Burnham Fund for the schools or library.

**Fifteenth:** To see if the Town will vote to authorize the Selectmen to accept gifts, for the use of the Town as may now or hereafter be forthcoming.

**Sixteenth:** To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

**Seventeenth:** To see if the Town will vote to authorize the Selectmen to dispose of any or all property acquired by tax deed, by public auction or sealed bid, with the right to reject all bids.

**Eighteenth:** To see if the Town will authorize the Selectmen to make application for and to receive and spend such advances, grants-in-aid, or other funds for Town purposes as may now, or hereafter be forthcoming from Federal, State, Local or private agencies.

**Nineteenth:** To see if the Town will appropriate the sum of Sixteen-Thousand-Seven-Hundred-Eighty-One Dollars (\$16,781) for the Auburn Police Department to purchase a cruiser. (Amount included in the Budget.) (Recommended by the Budget Committee.)

**Twentieth:** To see if the Town will vote to raise and appropriate the sum of One-Hundred-Fifty-Five-Thousand Dollars (\$155,000) for the Auburn Fire Department to purchase a Fire Truck. (This amount included in the Budget.) (Recommended by Budget Committee.)

**Twenty-First:** To see if the Town will vote to raise and appropriate the sum of Fifty-Five-Thousand Dollars (\$55,000) for the Auburn Fire Department to purchase a Rescue Vehicle. (This amount included in the Budget.) (Recommended by the Budget Committee.)

**Twenty-Second:** We, the undersigned, do hereby request the Town to vote to appropriate the sum of Twenty Thousand Dollars (\$20,000) to upgrade Peachtree Road to a Class V Road. (By Petition)

**Twenty-Third:** To see if the Town will authorize the selectmen to accept private donations of land, interest in land or money to be deposited into the conservation fund for the purposes of contributing to the local matching portion required for acquiring conservation land or interest in land and other costs associated therewith for permanent conservation use under the N.H. Land Conservation Investment Program (LCIP) RSA 221-A, and authorize the selectmen to apply for and accept the state matching funds under the LCIP for the purposes of acquisition of the fee or lesser interest in conservation land. Said appropriated or donated funds and state matching funds may be expended by majority vote of the conservation commission.

**Twenty-Fourth:** To see if the Town will vote, as provided for in RSA 31:94-a, the change of the next fiscal year of the town to January 1, 1989 - June 30, 1990; and to a fiscal year of July 1 - June 30 each year thereafter.

**Twenty-Fifth:** To see if the Town will vote to set the date of the annual Town Meeting, as provided for in RSA 39:1-a, to the second Tuesday in May each year, effective in 1990. (Note: This article will be dismissed if the Article changing the fiscal year is not voted in the affirmative.)

**Twenty-Sixth:** To hear the report of the Budget Committee and to see what sum of money the Town will vote to raise and appropriate to defray Town charges and legal obligations for the ensuing year.

Given under our hands and seals this 22nd day of February A.D., 1988.

The Selectmen of the Town of Auburn  
Eugene A. Thomas, Chairman  
Richard E. Shackelton  
Edmond W. Labore, Jr.

## Fiscal Study Committee

Last year at the Town Meeting a Study Committee was authorized to look at the budget year of the Town and the feasibility of changing the date of the Town Meeting. This committee has been at work and now submits a report with proposals for action at the Town Meeting this year.

First, we studied, and now recommend, the changing of the budget year from January 1 through December 31 to July 1 through June 30. The advantages we see are as follows:

(1) The Town would be spending money only after it has been authorized by vote of the Town Meeting. Presently we spend money before it has been authorized by Town vote which we feel is somewhat irresponsible.

(2) We would ease tremendously the burden upon those persons of the Town who are responsible for budget preparation by moving the working time away from the major holiday season of Thanksgiving and Christmas.

(3) We would then have the same budget time as the School District which could simplify the arranging of Town expense payments.

Second, we studied the feasibility of holding the Town Meeting in May rather than in March, and recommend this change to you. The advantages we see are as follows:

(1) The weather would be much more accommodating for persons attending the meeting, and hopefully the attendance of voters would be larger.

(2) The Town Report would be printed at a time when printers are not as busy with Town Reports, hopefully avoiding some of the possible mistakes and rushing.

(3) Again, report preparation, like budget preparation, would be removed from the major holiday season, making it much easier to get reports in.

On the basis of our studies, discussions and deliberations, we recommend to you the two Articles submitted in the Warrant. We will do our best to answer questions from the floor at the meeting.

The Fiscal Study Committee

k. Amends Article 4, District Regulations, to provide for an "I-1" Industrial-One District.

l. Amends Article 4, District Regulations, regarding permitted uses, special exceptions and building area requirements.

m. Adds a new Article 4.09 "I-1" Industrial-One district to the District Regulations, setting forth permitted uses, uses allow by special exception, and lot size, frontage, yard, and height requirements for the I-1 District.

n. Amends Article 7.03 to increase building permit fees.

o. Amends Appendix A, the Zoning Matrix of Uses and District, regarding permitted uses, special exceptions, and uses that are not allowed in the individual zoning districts.

p. Amends Appendix B to establish for a zoning table of dimensions for I-1 districts.

q. Amends the Zoning Map to rezone that portion of the "I" district located on west side of Londonderry Turnpike between Rattlesnake Hill Road and Wilson Crossing, 3000' in depth, to I-1.

Vote on Article Two:

YES 285 NO 205

The adjourned business meeting was called to order by the Moderator C. Donald Stritch, at 2 PM on Saturday, March 14, 1987. Mr. Stritch read the results of the election held on March 10, 1987.

**Article Three.** To see if the Town will vote to accept such Trust Funds as may come in during the year and Trust Funds as have not been previously accepted.

Daniel Carpenter moved the article be accepted as printed. John Coyne seconded. No discussion. Article passed.

**Article Four.** To see if the Town will vote to use the income of the H.B. Burnham Fund for the schools or library.

David S. Griffin moved that the fund be used for the library. Seconded by Alex Komaridis. No discussion. Article passed.

**Article Five:** To see if the Town will vote to authorize the Selectmen to accept gifts for the use of the Town as may now or hereafter be forthcoming.

Eugene Thomas moved that Article Five be adopted as printed. John Davis seconded. No discussion. Article passed.

**Article Six:** To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

Richard Shackelton moved Article Six be approved as printed. Edmond Labore seconded. No discussion. Article passed.

**Article Seven:** To see if the Town will vote to authorize the Selectmen to dispose of any/or all property acquired by tax dded, by public auction or sealed bid, with the right to reject all bids.

Daniel Carpenter moved that Article Seven be accepted as printed. Hubert Topliff seconded. After minimal discussion, the article passed.

**Article Eight:** To see if the Town will vote to authorize the Selectmen to sell the lots of land owned by the Town in the Sun Valley Subdivision, so-called, to the persons or parties who own real estate abutting said lots at such prices and upon such terms and conditions as the Selectmen shall find to be fair and reasonable to the town and to the purchasers, or in default thereof, to dispose of said lots by public auction or sea:ed bid, with the right to reject all bids.

Eugene Thomas moved Article Eight as printed. Bruce Mason seconded. After discussion, Mary Griffin moved the question. There being no objection to voting on the question, the vote was taken and Article Eight passed.

At this time, Harry Flanders, our Representative to General Court, addressed the Town Meeting.

**Article Nine:** To see if the Town will vote to establish a capital reserve fund for the purpose of acquiring in behalf of the Town land or rights in land such as conservation easements, development rights and the like.

Richard Shackelton moved that Article Nine be approved as printed and read. James Thompson seconded. Bruce Mason made the motion to table the Article indefinitely. Motion to table seconded by Paula Marzloff. After discussion, a hand count on the motion to table was Yes-26; No-78. Motion to table defeated.

Dennis McCarthy moved to vote on the question. Mr. Anderson seconded. Motion to vote passed.

Vote on Article Nine was no, and Article Nine was defeated.

**Article Ten.** To see if the Town will vote to transfer to the capital reserve fund for the acquisition of land and rights in land any of the Town's unencumbered surplus funds remaining on hand at the end of the fiscal year up to, but no in excess of, an amount equal to all revenues received by the Town

during the fiscal year from the sale of land owned by the Town. (Note: This Article will be dismissed if the Article establishing the capital reserve fund is not voted in the affirmative.)

Since Article Nine was defeated, Article Ten is dismissed.

Mr. Richard Miller is retiring after several years service to the Town as Town Treasurer, as noted by the Moderator. After a round of applause, Dick thanked the Town for allowing him to give back to the Town by his service as Town Treasurer.

**Article Eleven:** To see if the Town will authorize the Selectmen to make application for and to receive and spend such advances, grant-in-aid, or other funds for Town purposes as may now, or hereafter be forthcoming from Federal, State, Local or private agencies.

Daniel Carpenter moved the Article. Gerald Lacourse seconded. Article passed.

**Article Twelve:** To see if the Town will vote to instruct the towns representatives to the court to take all necessary measures to insure that no low level radioactive waste from the Seabrook Nuclear Plant shall be stored within this Town of Auburn unless and until the proposed site of the proposed storage or disposal has been approved by the voters of the town at the annual town meeting (By Petition)

Eugene Thomas moved we accept the Article as read. Susan Tardiff seconded. John Davis moved to vote on the question. Daniel Lawrence seconded. Motion to vote passed. Vote on Article Fifteen - Passed.

**Article Sixteen:** To hear the report of the Budget Committee and to see what sum of money the Town will vote to raise and appropriate to defray Town charges and legal obligations for the ensuing year.

James Andrus, Chairman of the Budget Committee, made the motion to appropriate a sum of \$1,205,085.00 for the ensuing year. (One Million, Two Hundred and Five Thousand, and Eighty-five Dollars.) Seconded by Winifred Sanford.

Vote on Article was in the affirmative and budget passed in the amount of \$1,205,085.00 (One Million, Two Hundred and Five Thousand, and Eighty-five Dollars.).

**Article Seventeen:** To transact any other business that may legally come before the meeting.

The Moderator expressed the Town's thanks to Daniel Carpenter, retiring Chairman of the Board of Selectmen. Dan has been a Selectman for six years. His efforts on behalf of the Town have been appreciated. The position of Selectman has been quoted as being the most difficult political position to be held. The town residents gave Dan a standing ovation. His hard work has been appreciated.

Hubert Topliff, in reference to two articles regarding changing the Town Meeting to May, which were not on the official warrant by error, asked the residents present for a consensus of opinion. The choices are a Special Town Meeting in 45-60 days; wait until next year's Town Meeting;

or do nothing. The majority present preferred waiting until next year's Town Meeting.

Mr. John Davis moved for adjournment. Meeting adjourned at 4:00 PM.

Respectfully submitted,  
Nancy H. Gagnon,  
Town Clerk

# Town Clerk - Looking in 1988

During the last two month of 1987, I began using a "TAKE A NUMBER" system during busy periods. I hope this will be more relaxing than waiting in line and will give you more privacy at the window. It seems to be working well, although one man did step up to the window and order one pound of bologna instead of registering his car!

You may now purchase from the Town Clerk your Motor Vehicle decals for cars and trucks under 8000 pounds. I am also issuing plates for new registrations and processing transfer. These services cost an additional \$2.00 for each registration.

The Town Clerk and Tax Collector are increasing their hours. They are as follows:

Monday and Thursday: 10:00 AM to 2:30 PM and  
7:00 PM to 8:30 PM

Friday: 9:00 AM to 12:00 Noon

This is an increase from 10 - 15 hours. Please make not of  
Please make note of these new hours.

Nancy Gagnon  
Town Clerk

## Auburn Recreation Commission Report

The Auburn Recreation Commission sponsored many programs in 1987. Activities ranged from a Winter Carnival, a cultural event, a summer program, a swim program, three senior citizens trips, the quarterly newsletter, and partial construction of Little League field at the Recreation Area.

The Winter Carnival was held on the coldest weekend in February. Cross country skiing, a figure skating demonstration, and a magic show were a few of the activities available to those who braved the cold weather.

The Summer Program, co-directed by Jackie Wood and Dottie Carpenter, was offered for the children in grades 1 through 4 during July. Junior high students volunteered as Counselors-in-Training. Attendance averaged about 40-45 campers per week. Each week was filled with different activities and field trips. The swim program continued again this year at Calef Lake. This was due to the generosity of Bill Cooper, owner of Calef Campgrounds.

Only one cultural event took place in 1987. Odds Bodkin, a great storyteller, performed on Halloween night. The stories sent chills down many spines that night.

Kathy Canedy, published four great issues of the Auburn Newsletter. The newsletter is laid out on graph tabloid sheets and sent to a printer. The continual support of our local advertisers have allowed the newsletter to take on a professional image. It is mailed to about 1400 homes in Auburn.

The Seniors had a very active year in 1987, thanks to the coordination of Eileen McDonald. There were three trips. The first one was in June to lunch at Yoken's Restaurant and a tour of the Trolley Museum in Kennebunkport, Maine. The second trip was to Sunapee State Crafts Fair in August. The third trip, which was by far the most popular, with 90 seniors attending, included lunch at Hart's Turkey Farm and a foliage train ride on the Lake Winnepesaukee Railroad. Each of these trips was partially funded by the Auburn Recreation Commission and the Seniors.

The highligh of our year was the work done on the Sancy Acres Recreation Area. The gravel and loam was spread by local contractors under the direction of our Town Engineer, Earl Davis. Two Little League fields were laid out; sod was put down on the infields, stone dust on the baselines and hydroseeding on the outfields. The Auburn Independent Baseball League provided most of the volunteers for the work that was completed on the fields.

Plans are underway for completion of the Recreation Area in 1988. The Little League fields will be completed in early spring so that they can be utilized during this playing season. Additional plans include the soccerfield, playground areas, and basketball courts.

A special thanks to all who gave so generously during this past year. We greatly appreciate any and all donations to the library. Help us to help the library work for you. We strongly need your support and donations.

An extra special thanks to Mrs. Sharon Davis and her Brownie Troop #819 for the enchanting decorations they made for the library at Thanksgiving and Christmas. They added an extra special touch. Thank you for your thoughtfulness.

Respectfully Submitted,

# **Auburn School District Warrant**

To the inhabitants of the School District, in the town of Auburn, New Hampshire, qualified to vote in district affairs:

You are hereby notified to meet at the Auburn Village School in said District on the 11th day of March, 1988, at eight o'clock in the evening to act upon the following subjects:

1. To hear the report of agents, auditors and committees or officer chosen and pass any vote relating thereto.
2. To see if the District will vote to authorize the School Board to apply for, accept and expend, without further action by the School District Meeting, money from the state, federal or other governmental unit or a private source which becomes available during the 1988-89 fiscal year provided that such expenditure be made for purposes for which a School District may appropriate money and that such expenditure not require the expenditure of other School District funds.
3. To see if the School District will vote to raise and appropriate the sum of One Hundred Sixteen Thousand Nine Hundred Eighty Five Dollars (\$116,985.00) to fund the cost items related to an increase in teacher's salaries and benefits attributable to the latest Collective Bargaining Agreement entered into by the Auburn School Board and the Auburn Education Association for the fiscal year 1988-89, such sum of money representing the additional costs attributable to the increase in salaries and benefits over those obligations payable in the prior year Collective Bargaining Agreement. (This is the first year of a two year contract.) (This sum of money is included in the 1988-89 budget.) (Recommended by Budget Committee)
4. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries and benefits for school district officials and agents other than benefit and salary increases to teachers, and for the payment of statutory obligations of the District.

# Principal's Report

The school population in September 2, was 436 and when school closed in June it was 443.

During the past school year the faculty worked on two major curriculum areas. The Math Curriculum Committee chaired by Mrs. Kupovics reviewed the existing Math Curriculum and recommended a new program to be implemented during the 1987-88 school year.

The Reading Curriculum Committee, chaired by Mrs. O'Brien-Kramer, monitored the implementation of the new reading curriculum and completed the curriculum guide lines for each grade level. Next year we will focus on the Social Studies Curriculum and on developing a substance abuse program.

Only minor painting and repair projects were undertaken during the past summer because of the building proposal being presented to the community for the 1987-88 school year.

Our Gifted/Talented Program, Project Challenge, managed and taught by Mrs. Metes, has continued to expand the horizons for many students. This year several students have been learning French as a foreign language, while others have developed level III projects that have had a positive effect on their fellow students and on senior citizens in nursing homes.

The school P.T.A. has continued to be a positive influence in the school. This past year they have assisted teachers with special classroom projects and sponsored several cultural arts activities for the students.

The Auburn Lioness have continued to sponsor the Young Author's Program which has been effective in promoting an interest in writing for students in the primary and intermediate grades.

I want to commend the members of the Auburn Building Committee for their efforts in completing a needs assessment of the Auburn School District in the areas of curriculum and

building construction to meet the demands of our expanding educational system. Their recommendations on future needs of the school district were extremely valuable in assisting the School Board in making decisions regarding the building proposal put before the voters in March.

As an educator I'm excited about the future. The challenge in the next few years are many. If the community continues to work together, we can continue to build a school system we can all be proud of.

Graduation exercises were held on June 17, 1987 with fifty-nine students receiving diplomas. The guest speaker was Michael Joseph, a former Auburn Village School music teacher. Honor speakers were David Bienvenue, Geoffrey Gibby, and Michelle Lord. Departmental Awards went to Michelle Lord for Social Studies, David Bienvenue for Science, Carrie Anthony for English. The Honor Students Award went to Michelle Lord; PTA Most Improved to Melissa Butts; Millie Preston Service Award to Rebecca Pinard; and the AEA-Teachers Appreciation Award to Christine Komaridis.

I'd like to extend my thanks to the Auburn School Board, the Superintendent of Schools, members of the community, the school staff, the school volunteers, the Auburn Lioness, and the Auburn P.T.A. for their efforts and support during the past school year. The students in Auburn have benefited from their combined efforts.

Respectfully submitted,  
Raymond Bourque  
Principal

## Superintendent's Report

At the March 1987 Auburn School District Meeting the community was wise in passing a bond issue by 83% which was substantially more than the 2/3 vote required by law. The School Board went through the New Hampshire School Building Authority, which in effect is a state guarantee for 50% of this project. This meant considerable savings to the taxpayers as it pertained to the issues when bonds were sold.

During the end of the 1986-87 school year three modular classrooms were under construction at the Auburn Village School. These three classrooms were built to alleviate overcrowding and will be in use until the approved addition to the school is constructed.

With the continued growth of the student population in the Auburn School District, the actual space required for the students is one of several major concerns. Other important issues to consider and plan ahead for include adequate staffing, educational programs, transportation, and school lunch.

The Auburn School Board has been meeting on a weekly basis to discuss modular classrooms and a new addition, along with holding their regular School Board meetings.

The communities of Auburn, Candia, and Hooksett have recently completed a five year master plan for the re-certification of the staff members in the three districts. This plan is usually entitled Staff Development Plans for Re-certification.

The Auburn Village School was honored this year when Principal Raymond Bourque was recognized by Governor Sununu as this year's outstanding elementary school principal in New Hampshire. Principal Bourque, along with the outstanding elementary school principals in each of the other forty-nine states was invited to Washington, D.C., as the guest of the United States Secretary of Education, William Bennett.

The Auburn School District provided special education services to fifty-five students during the 1986-87 school year, representing a 19.5% increase in educationally handicapped students served during the previous year. To accommodate the increasing numbers a half-time resource room teacher was added to the staff, sharing the present classroom. Several students who required more restrictive educational programs were placed out-of-district. We are looking forward to the new facility so that we may provide appropriate services to these students in Auburn.

I extend my thanks to the Auburn School Board members, Principal Ray Bourque, all school staff members, and the citizens of Auburn for their support over the past school year.

Respectfully submitted,

David R. Cawley  
Superintendent of Schools

## Annual Report of the School Board Chairman

It is always a struggle to summarize an entire year in a few short paragraphs, particularly in a year during which so much has happened. The reports have a tendency, out of necessity, to be pretty much matter-of-fact rather than highlighting events that serve to indicate the spirit and vitality of the school system. We would like to deviate from that routine this year and briefly touch upon both aspects.

Our school is truly a community resource and with the expansion we should be able to provide more service to the town in the future. Rarely is there an evening or weekend when the gymnasium is not in use by one group or another, and frequently classrooms are used for meetings by various groups or committees in town. We can also be very proud of our school volunteers who give generously of their time and talents everyday; proud of our award winning, nationally recognized PTA; and proud of our Principal, Mr. Bourque, who was named the 1987 Elementary School Principal of the Year in New Hampshire.

It is not surprising that the 10 year bond issue for expansion and renovation of the school received an 83% vote in the affirmative at the Annual School District Meeting. This is clearly an indication that our community is serious about the future of the educational program in Auburn. The project involves 47,000 square feet divided between expansion and renovation, which we hope will take us through the next several years before we are faced with the need to construct an additional facility. We are anxiously awaiting the start of construction in April of 1988 and are hopeful of meeting the projected completion date of August 1989.

Our school population does continue to grow but fortunately, thus far, at a reasonable rate thanks to the town's growth management plan. We all share the responsibility of trying to plan and prepare for our future needs to avoid finding ourselves in a position of having to react to problems that have gotten out of control. Therefore, we will continue to work with our planning committee as well as the various town boards to set priorities to meet the increasing demands for a variety of services as our town grows. We encourage you to participate in that process by attending the Annual School District Meeting in March.

## Auburn School District Meeting

The Auburn School District meeting was called to order at 8 p.m. on March 13, 1987 by C. Donald Stritch, Moderator, in the Auburn Village School Gymnasium.

**Article 1.** To see if the school district will appropriate \$2,750,000 for the reconstruction, alterations and/or enlargement of the school and purchasing necessary equipment and furnishings. The following motion was made by Alex Komaridis, and seconded by Ken Sanford:

I move that the District appropriate the sum of Two Million Seven Hundred fifty Thousand (2,750,000) Dollars for the reconstruction, alteration and/or enlargement of the Auburn Village School and for purchasing equipment and furnishings of a lasting character in connection therewith; that the School Board be authorized to raise this appropriation by borrowing under the Municipal Finance Act and that the School Board is authorized to contract for and expend any federal and state aid available for the project or take all other action necessary to carry out this vote.

Bruce Mason asked to add an amendment to Article 1 stating that the borrowing is to be financed over a period of not less than 15 years. Gene Thomas seconded the motion. Alex Komaridis asked Mr. Mason to withdraw motion as this could be covered in Article 6. Al Sampson asked why the Articles as they appear in the town book do not exactly correspond to the official warrant, and asked was this legal. The moderator was asked to decide. He stated the article is in the legal warrant. Mr. Mason withdrew the amendment to article 1 and Mr. Thomas seconded.

Alex Komaridis explained the project which started over 3 years ago. Population growth projections, state evaluations and state standards were presented and explained. The school board felt that the most reasonable solution to the space needs problem at the school is to add on to the existing Auburn Village School structure. We will have to build again in 7 to 10 years. He explained the expense of another location with duplication of existing services.

Mr. Shackelton, Selectman expressed he was apprehensive. He asked if the existing septic & water systems are adequate for addition. He questioned the population growth estimates presented and the relative advantages of an addition versus a new school. He did not feel the cost would be that much greater if a new school had to be built within 3 years. Mr. Tardiff explained census information. Fifteen additional children per year average. The cost difference of new school versus addition was given. For a new school it would cost approximately \$4,600,000 and for addition \$2,750,000. Mrs. Davis asked how many students of the projected births go to school at the Auburn Village School. Mr. Tardiff explained that 10% do not attend the Auburn Village School during the first three school years. Many other questions were addressed.

Thomas Johnson, Architect explained that when the addition is completed there will be 60,000 square feet

compared to the existing 38,000. The septic system is being monitored now and is adequate to take care of 650 students and a staff. The septic and water systems can be added to if necessary. There will be energy saving items added and safety features also.

Bruce Mason asked that Article I be amended to state that the borrowing be financed over a period of not less than 15 years. Mr. Thomas seconded. Mr. Thomas stated the school board projections on growth seem to be in order. He felt that the need for a second school in 7 to 10 years is yet to be decided. Mr. Kennedy felt that the Board was making the right decision to expand. He felt that an 8 to 10 year range for financing is a better way to go. Marty Sullivan moved the amendment. Seconded by Mr. Kennedy. Mr. Komaridis asked again that the amendment not be made at that time, stated that the Board will finance the borrowing for a period which the voters feel is most reasonable. The vote on the amendment was called for. The amendment did not pass.

Mrs. Davis asked the Board what they recommended for the term of the bonds. They felt that 10 years is reasonable. Michelle Langa moved the question on Article 1. Mr. Burwen seconded. Mr. Stritch explained that a 2/3 vote is necessary for the Article to pass, and that the polls will be open 1 hour.

The polls were open from 9:55 to 10:55. The vote for Article I: Yes - 225 No - 45  
Article I passed.

**Article II.** The motion to accept as read was made by Herb Tardiff and seconded by Mary Griffin. Mr. Head asked what reports were we talking about. It was explained the one in the town report. Mr. Eaton moved question. Article II passed.

**Article III.** The motion to accept as read was made by William Wood, Mr. Wilusz seconded. No discussion. Article III passed.

**Article IV.** Herb Tardiff made motion to table article. Mr. Vargas seconded. The article was tabled.

**Article V.** Alex Komaradis made motion to accept as read and Mr. Kennedy seconded. (\$56,754.00) Mr. Eaton moved question. Article V passed.

**Article VI.** Jerry Lacourse made motion to accept as read \$5,234,665 minus the 2,750,000 for the school addition. Change amount requested to \$4,427,911. Paul Sanford seconded. Mr. Mason asked what terms the bond issue would have. The figures quoted assued a 5 year bond issue. Mr. Mason offered an amendment to the budget that the bond issue be financed over a period of not less than 15 years. Mr. Thomas seconded. Mr. Thomas felt that it is important to consider the bond issue's effect on the tax rate, and that there are other things that the town needs. Mr. Head felt that an 8 year bond life was more reasonable. Ed Labore made motion to move on the amendment. Mr. Anderson seconded. A hand vote was taken: Yes - 36, No - 90, amendment did not pass. Mr. Kennedy made an amendment to finance the bond issue over a ten year period. Seconded by Mr. Martin. Mr. Burwen moved question. Amendment for a 10 year bond issue passed. Article V - \$2,427,911 budget was increased

\$9,625 to account for the increased interest payment due to the change to a 10 year repayment schedule, the new total is \$2,437,536. Mr. Komaridis made motion to amend article V to \$2,437,536. Mr. Wood seconded. A vote on Article V was called for \$2,437,536. Article V passed.

Mr. Head made motion to adjourn meeting. Mr. Vargas seconded. Meeting was adjourned at midnight.

Respectfully submitted,  
Marcia Trombly  
Clerk

## Auditor's Report

To the Members of the School Board  
Auburn School District  
Auburn, New Hmapshire

We have examined the general purpose financial statements of the Auburn School District as of and for the year ended June 30, 1987, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not know.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation as explained in the above paragraph, the general purpose financial statements referred to above present fairly the financial position of the Auburn School District at June 30, 1987, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining and individual fund financial statements and schedule listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Auburn School District. Such information has been subjected to the auditing procedures applied in the examination of the general purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

# School Nurse's Report 1986/87

To the Superintendent of Schools, Principal, School Board, and Auburn Citizens:

Vision tests were given to all 452 students.

Defects found - 14      Corrected - 7

Hearing tests: 452      Defects - 6      Corrected - 6 (tubes)

Height and weights of all children were checked.

There were twenty-three children with a weight problem.

In the fall I will be setting up a Body Shop Program with the V.N.A. which specifically meets the needs and interests of young people. The Body Shop is a diet and exercise program for girls and boys; small groups of students close in age meet one evening per week to learn weight control skills with a registered dietitian, physical therapist and personal growth leader.

# Zoning Board of Adjustment

The Zoning Board of Adjustment meets on demand at the Town Hall. Request for a hearing are made to the Zoning Officer. During 1987 the Board held 44 hearings, 40 being for Variances, 3 for Special Exceptions, and 1 Appeal from the Administrative Decision. The hearings are open to the public, are posted and advertised in the Manchester Union Leader. Minutes of the meetings are posted at the Town Hall for public review.

I wish to express my appreciation to the Board members and alternates for the time and effort expended in the Town's benefit.

Respectfully,  
Irving Lunnie, Chairman

# The Office of Planning Board in the Town of Auburn

In 1987, the Auburn Planning Board heard 42 cases, which resulted in 10 Residential Subdivisions and 45 individual lots and 1 Commercial Subdivision and 2 individual lots. The Board also approved 3 Lot Line Adjustments, 13 Commercial Site Plans, 3 Excavation Permit Renewals and 1 Utility Substation Approval. A new member, Peter Martin, was appointed to the Board this year.

In the fall, the Planning Board reviewed and ammended the Capital Improvements Program with members of other town boards. The major capital improvements which the Board identified were the replacement of the Auburn Volunteer Fire Department pumper truck and a rescue vehicle, a new unit for the incinerator and improvements to Rattlesnake, Calef, Dearborn, Pingree and Bunker Hill Roads.

The Planning Board is proposing a number of additions and ammendments to the Zoning Ordinances. The most significant changes are:

1. To reinstate the Town's Growth Management Plan
2. To redefine wetlands and require that all septs must be 125 feet from such wetland
3. Require a buffer in cluster development which is 20% of the average width of the lot
4. Give an incentive to developers who create a cluster development without filling wetlands
5. To provide that where a lot lies in two zoning districts that the district which contains 80% of the lot shall apply
6. To rezone a portion of land on Old Candia Road from C-2 to R-1
6. To rezone a portion of land on Chester Road/Bunker Hill Road from R-2 to C-2
7. To adopt a new building permit fee schedule
8. To adopt a new building permit fee schedule

# **Report of the Southern New Hampshire Planning Commission**

The Southern New Hampshire Planning Commission offers a wide variety of services, resources and technical assistance to all towns that are due-paying members of the Commission. A professional planning staff, assisted by consultants in certain specialized fields for which the Commission is unable to employ a full-time staff, work under the direction of your representatives to the Commission in developing and carrying out planning programs that require regional perspective as well as which pertain to your community.

Local planning assistance requests are normally made by the Planning Board and/or the Board of Selectmen of your town based on your local priorities. However, certain general studies, notifications or acquisition of resources that are deemed essential for all member municipalities of the Commission are also conducted with the concurrence of the Commission.

Services that were performed for the Town of Auburn during the past year are as follows:

1. Updated the town base map in the scale of 1" — 1000';
2. Provided testimonies to the House and Senate committees of the 1987 session of the General Court on the HB 324, 192-FN-A, 58, 68, 231, and 381; and SB 52. These bills pertain to planning and zoning issues;
3. Updated the monograph for the Town of Auburn;
4. Co-sponsored the Municipal Law Lecture Series, to which Auburn officials were invited;
5. At the request of the Board of Selectmen, provided an engineering solution to correct the safety deficiency at Wellington Road/Candia Road intersection; and
6. Provided materials on how to prepare and the basis for developing impact fees.

Auburn's Representatives to the Commission are:

Mr. C. Stoney Worster

Mr. Eugene Thomas

Mr. Donald Marzloff - Alternate

Executive Committee Member: Mr. Eugene Thomas

Metropolitan Manchester Transportation Planning Policy Committee:

Mr. Donald Marzloff

# Report of the Conservation Commission

Auburn's Conservation Commission has seen an increase in public awareness of the environment over its three years existence. This is not surprising since the Town, during the same period, has experienced an enormous increase in growth. Two important issues which affect our quality of life require actions by the residents: **(1) Prevent Groundwater Pollution** — At the prices paid for land there is no wonder that developers are intent on maximizing the number of buildings which can be constructed on each subdividable tract of land. Unfortunately, water pollution can result from not maintaining a setback distance (buffer) from environmentally sensitive areas; for example, locating septic systems and buildings too near non-compatible locations, like streams and wetlands. Moreover, maintenance of septic systems in Auburn is very important because groundwater serves as the drinking water source. People seldom realize that household toxics materials discharged into their drains can migrate from the septic system and pollute the groundwater supply. Contaminated groundwater can cause very serious health problems so protect your family and neighbors health through prevention programs!

**(2) Conservation Land** — The growth Auburn has been experiencing has forced us to identify future needs for conservation. The Town owns no conservation land, property with deed restrictions to keep the land open for future generations to enjoy in its natural state. If the present trend continues, the Town will find itself without public lands suitable for passive recreation and wildlife in a very few years. Moreover, purchasing conservation land will become more difficult as land prices continue to increase. A state supported land conservation program created in 1987, Trust for New Hampshire Lands, can assist qualifying towns with the purchase of restrictions on future development rights to open tracts, such as existing farms and forest land which have unique natural habitats. The program will provide matching funds. One-half the land appraisal value must be paid by private and public funds from the town applying for the land Trust funds. Of course, the funds will buy less land as land prices continue to increase. The Conservation Commission has placed a Warrant Article before the Town Meeting for establishing a mechanism for collection of private donations for use in the Land Trust Program.

# Visiting Nurse Association of Manchester and Southern New Hampshire

The Visiting Nurse Association is celebrating its 90th Anniversary during 1987 by pledging to continue its tradition of exceptional caring for all the community's residents. VNA services have been provided to the residents of Auburn since 1965. VNA home care and community health services are provided through its affiliates:

**VNA Home Health Services, Inc.** is Medicare and Medicaid certified provides skilled nursing care; physical, occupational and speech therapies; nutrition counseling and medical social services; certified home health aides; Hospice care for the terminally ill; and long term care for the elderly and the handicapped. Payment for service includes health insurances, and private payment. Fees are explained to our patients at the first visit to the home and for those unable to pay the usual fees, adjustments can be made on an individual basis.

**VNA Community Services, Inc.** provides free Immunization Clinics for all age groups monthly and Free Blood Pressure screening clinics. Foot Care clinics are held monthly at our 194 Concord Street office by appointment and blood pressure checks are done weekdays from 1:30 - 4:00 p.m. Occupational Health programs are provided to business and industries on site. Parent-Child Health Services include the Teenage Pregnancy Program, and the Parent-Baby (ad) Venture Program for children at risk of abuse and neglect, The Body Shop-Teen Weight Control Program, and the Child Care Connection for child care providers.

**VNA Personal Services, Inc.** provides private duty nurses, home health aides, homemakers, companions, personal care assistants and child care in the home.

Town appropriations, grants, United Way allocation and donations are a vital part of the funds that help to defray the cost of unpaid services. Representative of the town of Auburn who serves on the VNA Board of Trustees is Peggy Wornick.

Sincerely,  
Sarah Hubbard  
President

### Rescue Calls

73 In-House  
41 Motor Vehicle Accidents  
8 Good Intent/Investigations

There were 212 calls in 1987; 90 fire calls and 122 medical calls.

The number of emergency calls increased almost seven percent in 1987. As the town of Auburn grows, so does the need for updated fire and rescue apparatus. The department is looking to purchase a new fire truck and rescue vehicle to keep pace with the rapid growth of this town. Public support is needed at the town meeting.

The fire department has state certified firefighter instructors who conducted a four month course attended by ten Auburn fire personnel and others from surrounding towns. The emergency medical technician instructor conducted a four week refresher course. The CPR instructors offered courses to the public and recertified the rescue personnel. Several fire fighting drills were held for training and testing equipment. The smoke trailer was again in Auburn and survival training was conducted. The Auburn Fire Department is proud to have many on the volunteer staff as certified firefighters and emergency medical technicians with advanced technique certifications.

The fire station on Wilson's Crossing Road was completed in late spring and apparatus was moved to Station One, providing coverage for the west side of Auburn. An open house was held in October and was well attended by the townspeople.

New equipment in the fire department include a trailer on which the generator has been mounted, new fire gear, rescue equipment and tools to stock the new fire station.

The fire department sponsored two dances, a fund raising drive, fire prevention week, green burn and participated in the Olde Home Days celebration. The firemen administer to the smooth running of the departmental matters and policies, maintain all the fire and rescue apparatus, maintain both fire stations besides what time is spent in community service. Many man hours are logged in volunteer service to the town of Auburn. Monies earned through fundraisers and donations are invested in new equipment and items for the fire department. Contributions are appreciated.

The firemen and women are dedicated people who donate time and skills to the town of Auburn. They endeavor to provide the best fire and medical protection possible.

When reporting an emergency, stay calm, speak clearly and remain on the telephone until the dispatcher has all the necessary information.

Emergency Phone Number: 483-2521

Business Phone Number: 483-8141

## Report of The Town Forest Fire Warden

The two leading causes of forest fire are children playing with matches and fires kindled without the written permission of the Forest Fire Warden. With public support, both causes are preventable.

Written permission must be obtained in order to legally start a fire outside when the ground is not snow covered. Permits can be obtained from the Warden on the day of the burn and are issued only when conditions promote safe burning. An open fire should never be left unattended.

There were no notable brush or forest fires again in 1987 in the town of Auburn. Please continue to help forest fire officials with fire prevention.

### Forest Fire Statistics - 1987

Number of Fires Statewide	403
Number of acres burned statewide	189
Cost of suppression statewide	\$44,682.00
Number of fires districtwide	97
Number of acres burned districtwide	38 1/2
Cost of suppression districtwide	\$2,508.00

## Burning Regulations

TO REPORT A FIRE DIAL 483-2521

The State of New Hampshire requires that written permits be obtained for all open fires at all times when the ground is not snow covered.

Permits may be obtained from the Forest Fire Warden, Mr. Martin Sullivan, for grass, brush, campfires, etc. Permits must be obtained on the day burning is to be accomplished. Burn when there is no wind, on rainy days and damp days, in a safe place and in accordance with the term of the permit. Burn before 9:00 A.M. and after 5:00 P.M. Keep some buckets of water close by; if wind develops, promptly extinguish the fire. All fires must be extinguished before you depart the scene.

## Parking During Snow Storm

A. From November 1 to April 1 of each year no person shall park any motor vehicle on any public highway between the hours of 11:00 P.M. and 8 A.M. or at any time in such a manner as to impede snow removal operations.

B. Any vehicle parked in violation of section A hereof may be towed by the road agent, the chief of police or their agents or by independent contractors engaged by the road agent or the chief of police; any vehicles so towed shall be stored and released to the owner only upon payment of the cost of towing and storage by the owner.

C. Any person violating section A hereof shall be subject to a penalty not to exceed twenty-five dollars for each offense.

## Dog Ordinance

A. RESTRAINT: All dogs shall be restrained from running at large within the limits of the town, except when they are on the owner's or keeper's property or being used for hunting or training purposes.

B. PENALTY: Any person or persons, firm or corporation violating any provisions of this ordinance shall, upon conviction, be fined not more than fifteen dollars (\$15.00) for each offense.
